# *Hello and Welcome to our Winter edition!*

What a year it's been.

The seasons have all been mixed up; we've had storms with names which when we were kids, they were just storms; flowers arriving too early & the first flurries of snow.

We've some exciting news to share with you, here at Local Community Life. Since our re-launch in January 2024, our distribution has increased from 3,000 copies, expanding your reach to a wider audience.

Our magazine is now Seasonal-helping to keeping costs down, and is better for the environment.

Still full colour glossy & now 16 pages & 7,000 copies! Plus 2,000 members on our Bailiff Bridge Village Group, which any Local business can advertise on thus widening our readership!

Thank you to ALL our Local businesses; our amazing team of helpers and Pride Design- (who put our magazine together & can help with your business needs), whom without Local Community Life magazine wouldn't be!

Thank you,  
Editors

**Hope you ALL have a nice Festive Season & we'll see you in Spring 2026!**

Any adverts are the property of Local Community Life & can NOT be used in any other publication without the consent of the editors.

We kindly ask that any of our customers are not canvassed as this is not good practice!

The Clifton & Lightcliffe Brass Band are pleased to announce that after nearly one century in Bailiff Bridge, we have now relocated to a 2<sup>nd</sup> floor suite based in Towngate Plc Parkview House.

We thank the Smith family for all their support & to my brother Christopher Helme who contacted Julia at Towngate, at the beginning of the year, to see if they could accommodate the band in one of their premises. Chris was not well at the time and he passed the information on to me to follow up. Sadly Chris passed

away in April and did not see that his efforts pay off. We would like to THANK our very generous Patrons who support the Band throughout the years with fund raising and to Local Community Life magazine for their donation of £100.00 towards our cause.
